

Homework Turnin

Email: rgalanos@fcps.edu
Section: 6G
Course: TJHSST APCS 2016-17
Assignment: 05-05
Receipt ID: 10ef7cf24777d3d577a4dfe16dd8b72d

Turnin Successful!

The following file(s) were received:

IndexMaker.java (4011 bytes)

```
1. // Name:      date:
2. // This program takes a text file, creates an index (by line numbers)
3. // for all the words in the file and writes the index
4. // into the output file. The program prompts the user for the file names.
